Als neue Marke wurde Cohiba ab 1968 schnell zum Flaggschiff der Kubanischen Zigarrenindustrie. Als mittelstarke Linie für ursprünglich rein protokollarische Anlässe der Kubanischen Regierung wurde die Cohiba ab dem Jahr 1982 breit vermarktet. Die ursprünglichen Formate waren die Lancero, die Corona Especial sowie die Panatela, gefolgt ab dem Jahr 1989 von den Formaten Esplendido, Robuste und Exquisito. In Anlehnung an die Entdeckung der Karibik durch Christoph Columbus vor 500 Jahren wurde 1992 die Siglo-Serie kreiert. Ursprünglich in der El Laguito Produktionsstätte in Havana hergestellt, wird sie mittlerweile auch in der Fernando Perez German Manufaktur gefertigt.
